

STABLECOIN EXECUTIVE WORKSHOP

A Half-Day Deep Dive:
Clarity, Risks, and a
Path to Action

Marcia Klingensmith
Instant Payments Maven™

The rules have changed. With the **U.S. GENIUS Act** reshaping regulation, stablecoins have shifted from “crypto” to a **legitimate payment rail** with global impact.

Peers are already in crash courses. Boards are asking, “What’s our stablecoin play?” Consultants are racing ahead. **If your leadership team doesn’t have the same baseline, your risk falling behind.**

This workshop levels the field, giving bank executives and consultants alike the clarity, risk lens, and roadmap to move from curiosity to credible strategy.
